

510/710

Great Productivity

Huge hopper capacity

Extensive filtering surface

High performance

Main brush pressure adjustment

Dust flap for large debris collection

Ergonomics, User Friendly

Easy to use control panel

Great visibility whilst working

External battery charger plug

Battery level indicator (ET version)

On board battery charger

Low Maintenance Costs

Dust filter replacement without tools

Easy access to motor compartment

Robust Construction

Heavy duty chassis in fully coated steel

Maximum protection against impact

Electric filter shaker (optional)

Easy to use control panel

1. Vacuum fan control (battery version).
2. Side brush control.

Parking brake for maximum safety
