# POSEIDON 2-24 XT

## Industrial cold water pressure washer

- **Upright design with built-in trolley and large wheels**  
An ergonomic design with excellent mobility on all types of surfaces.
- **Brass cylinder head**  
Tough construction for frequent tasks.
- **Flow and pressure regulation**  
Water flow and pressure can be adjusted to the specific cleaning task.
- **Easy start**  
The low standby pressure ensures a reduced Amp peak on start-up.
- **Manometer**  
The working pressure can be monitored when adjusting the pressure and flow regulator.
- **Superflex (reinforced rubber) hose with reel**  
High durability and anti-kinking feature.
- **Built-in removable, transparent detergent tank**  
Easy to empty and monitor the level of detergent in the tank.
- **Internal detergent system with dosage regulation**  
Ensures the correct amount of detergent is applied to the specific cleaning task.
- **Professional accessories**  
Robust quick change lances and ergonomic spray gun.
