

Servo-X Systems

Big in use, small in storage, the Servo-X trolley range will always find favour in the many locations where space is at an absolute premium.

All Servo-X trolleys can be easily folded for storage and the laundry bags themselves can be removed, incorporating drag handles and our top closure system.

Servo-X uses all the same bag sizes as Servo-Keeper and Servo-Bag units, providing total uniformity and allowing a fully integrated and co-ordinated professional approach to system planning.
